ATOR CLARK TO INVESTIGATE STATEMOOD QUESTION

ES OUT INTERVIEW DURING LORD HE SAYS HE MAY LOOK JOINTURE BILL.

Weeks in New Mexico making a study of the Pueblo indians. Miss Evans is traveling through the southwest gaining a correct idea of indian life. When she returns to Chicago she will paint several pictures of the Indian as she has found him in New Mexico, for the Hanta Fe system. The psintings will be used to decorate the company's general offices, while reproductions of the pictures will be made for the company's many publications advertising the southwest. While Miss Evans is traveling through the land of the southwest than the company's many publications advertising the southwest. While Miss Evans is securing material for her pic ans is securing material for her pic tures, her sister is gathering data for indian stories, which will be artistic-ally illustrated. Both young ladies are graduates of the Chicago Art insti-

CONTAGIOUS BLOOD POISON KING OF ALL DISEASES

To Contagious Blood Poison rightfully belongs the name King of all eases. It is the most powerful of all human allments—corrupting every Diseases. It is the most powerful or an numan annual those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of those unfortunate part of the body and wrecking and ruining the lives of the enough to contract it. When the first sign appears in the form of an insignificant, sore or nicer, few persons realize that the deadly virus has entered the blood, but so potent is the poison that one drop will vitiate and pollute the purest and healthiest blood, and in a short time the degrading and horthe purest and healthiest blood, and in a short time the degrading and horrible symptoms begin to appear. The mouth and throat ulcerate, the glands in the acck and groins swell, the hair and eye-brows fall out, copper-colored apots appear on the body, and in the latter stages of the disease the poison even works down and destroys the bones. No other disease in so highly contagious, and many have contracted it and suffered its awful consequences through a friendly hand-shake, handring the clothing of one afflicted with it, or drinking from the same vessel. S. S. The King of Blood Purifiers, is the only cure for Contagious Blood Poison. It goes down into the circulation and forces out gvery particle of the virus. It is nature's antidate for this peculiar poison, and cures the disease in all its stages, and cures it permanently. S. S. S. does not hide or cover up any of the poison to break out in future years, but so completely eradicates it from the blood that no signs PURELY VEGETABLE. See ever seen again. S. S. is purely vegetable, we offer \$1,000 for proof that it contains a particle of mineral of any kind. Book crith instructions for home treatment
